***PSC Hosts Tech Trends Conference with Leaders from the White House, Congress and Federal Government on Sept. 25***

**WHAT:** Senior government officials from Congress, the White House, and federal agencies will convene at the half-day [Tech Trends Conference](#), presented by the Professional Services Council ([PSC](#)), on **Sept. 25** to discuss the top IT issues facing the federal government and how to deliver more effective mission results. PSC will also release the [2017 CIO Survey](#), an annual publication that analyzes non-attribution interviews of CIOs and other senior government officials to get an understanding of their concerns and priorities.

Tech Trends sessions will address topics ranging from cybersecurity, shared services, IT leadership and transformation, and improving the public's experience with government. Speakers include **Matt Lira** from the White House Office of American Innovation, **Rep. Will Hurd (R-TX)**, a champion of the Modernizing Government Technology (MGT) Act, **NASA Chief Information Officer Renee Wynn**, and officials from Department of Defense (DoD), Department of Homeland Security (DHS), Health and Human Services (HHS) and the General Services Administration (GSA). View event [agenda](#).

**WHO:**

- Beth Angerman, Executive Director, Unified Shared Services Management, GSA
- Rob Cook, Deputy Commissioner and Director, Technology Transformation Service, GSA
- Jeanette Manfra, Assistant Secretary, Office of Cybersecurity and Communications, DHS
- Thomas P. Michelli, Acting Principal Deputy, CIO, DoD
- George DelPrete, Principal, Business Consulting & Technology, Grant Thornton
- Chris Wlaschin, Chief Information Security Officer, HHS

Full list of event speakers [here](#)
