

PAUL E. LEVI
Senior Vice President

Treasurer and Director of Investor Relations

Science Applications International Corporation
Mclean, VA.

Paul Levi is a Senior Vice President at Science Applications International Corporation (SAIC) with over 30 years' experience in the scientific and information technology industries and has been with SAIC since 1986. Mr. Levi has worked in a number of areas of SAIC's business operations including activities involving National Security, Environment, and Energy markets. Prior to joining SAIC, Mr. Levi was employed by Computer Science Corporation (CSC) and the U. S. Navy, Naval Research Laboratory (NRL).

Mr. Levi is currently the Treasurer and Director of Investor Relations for SAIC. In this role he is responsible for the all aspects of the company's financial and risk management. He also handles the outreach and communications with the investor community. Previously he was the CFO for the IT and Network Solutions Group which represented over 10,000 professionals directly involved in delivery to Utilities, Oil & Gas, Healthcare, and Telecommunications clients worldwide. He is a member of the senior management team and has been instrumental in the successful negotiation of contracts and acquisitions with many leading clients and acquired companies.

Mr. Levi has worked domestically and at international locations over the past 25 years. He has severed as a director of the companies Latin America, European and India operations working to build our international delivery capability and local presences.
