

## Carey A. Smith

President, Federal Business Unit

### Professional Overview

Carey A. Smith is the President of the Federal business unit of Parsons Corporation. Federal delivers, protects, and sustains critical U.S. government assets across the defense, physical/cyber security, intelligence, environment, and infrastructure markets worldwide, serving the Departments of Defense and Homeland Security, Federal Aviation Administration, Intelligence Community, and other civil agency customers.

In this role, Carey is responsible for the business unit's global operations. She also serves as President and a Director of Parsons Global Services International, Inc., which is a wholly owned subsidiary of the Federal group.

Prior to joining Parsons in 2016, Carey held a series of leadership roles within the defense and aerospace industry. Most recently, she was President of the Defense and Space business unit at Honeywell, where she led an expansion of the firm's business with a broad base of customers, including U.S. government agencies and international defense ministries. At Honeywell, she also served as President of Honeywell Technology Solutions Inc. and Vice President of Honeywell Aerospace Customer and Product Support. Prior to Honeywell, Carey held a number of positions at Lockheed Martin, including Vice President of Technical Services; Vice President, Business Development, Maritime Systems & Sensors business unit; and President and CEO of Canada. She began her career as a systems engineer with IBM Federal Systems.

### Education

Carey Smith holds an M.S. in electrical engineering from Syracuse University and a B.S. in electrical engineering from Ohio Northern University.

### Additional Information

Carey Smith is a certified Program Management Professional and a certified Green Belt. She has published more than ten papers. In 2014, she was named one of the Top 100 Diverse Corporate Leaders in STEM and in 2012 one of the Top 100 Women in STEM. She was recognized as Alumni of the Year at Marlinton High School in 2016 and Alumni of the Year at Ohio Northern University in 2015. Carey is a member of the Professional Services Council Executive Committee and Board of Directors.

### About Parsons

Parsons is a technology-driven engineering services firm with more than 70 years of experience in the engineering, construction, technical, and professional services industries. The corporation is a leader in many diversified markets with a focus on infrastructure, defense, and construction. Parsons delivers design/design-build, program/construction management, systems design/engineering, cyber/converged security, and other professional services packaged in innovative alternative delivery methods to federal, regional, and local government agencies, as well as to private industrial customers worldwide.
