

Dennis Kelly
President & CEO
Buchanan & Edwards

Dennis is the President & CEO of Buchanan and Edwards. In this role he is responsible for developing and executing an aggressive growth strategy that will expand B&E's solutions into the national security market. He has nearly 30 years of experience growing businesses through M&A and organic growth. Dennis' previous roles were CEO of IOMAXIS, LLC, an innovative cyber security solutions firm, was the president and CEO of A-T Solutions, Inc., a counter-terrorism solutions firm supporting a variety of defense, intelligence and law enforcement customers. Following the sale of A-T Solutions to PAE, Dennis was appointed the President of PAE's National Security Solutions business unit. He was previously the president of Tech Team government solutions and served in a variety of executive positions at Anteon International.

Dennis is an adjunct professor in the George Mason University Executive MBA program and serves on the board of directors of the USO of Metropolitan Washington – Baltimore. He is a proud veteran of the US Navy.
