

ROBERT HAAS

Mr. Haas is the Director for U.S. Public Sector Applications Strategy and Portfolio for Hewlett Packard's Enterprise Services. He is responsible for market analysis, portfolio planning, and strategy development in the applications market. Prior to Hewlett Packard, Mr. Haas advised commercial and government clients on IT strategy, portfolio management and business operations. Before entering the private sector, he developed and managed communications systems while working for the government. In total, he has more than 20 years of experience in the IT industry. Mr. Haas holds a B.S. in Electrical Engineering from the University of Pennsylvania and an M.B.A. from Cornell University.
