

IMPROVED ACQUISITION OUTCOMES

- ✓ Secured enactment of government-wide restrictions on the use of LPTA.
- ✓ Originated a provision for the government to define and measure "Procurement Administrative Lead Times" (PALT).
- ✓ Advocated for comprehensive post-award debriefings for Defense contractors.

LEVERAGED INDUSTRY EXPERTISE

- ✓ Pushed for a requirement that DCAA use independent, third-party auditors to help reduce their incurred cost backlog.

PROTECTED FAIRNESS FOR FEDERAL CONTRACTORS

- ✓ Led the industry campaign to repeal the Fair Pay Safe Workplaces regulations.
- ✓ Worked with the sponsors to draft, introduce and enact accelerated payments to small business Defense subcontractors.

SUPPORTED ACCESS TO TECHNOLOGY AND INNOVATION

- ✓ Supported additional investment for federal IT infrastructure by championing the Modernizing Government Technology (MGT) Act.
- ✓ Advocated for separate definitions of commercial items for "products" and "services".

PREPARING THE WORKFORCE FOR FUTURE GOVERNMENT MISSIONS

- ✓ Supported the enactment of the SECRET Act to help quantify, track, and mitigate the backlog of security clearance investigations.
- ✓ Led a campaign to establish a "Trusted Information Provider Program" to share information between the government and industry.
- ✓ Promoted additional security clearance reporting on expedited processing for mission-critical positions and implementing a clearance in person concept.
